

The Butterfly Effect of Sin: ADDICTION TO NEEDING VALIDATION FROM MEN

EFFECTS ON SELF:

1. Creation of facades that 'pleases' men e.g sexy facade, caretaker facade
2. Not sharing real self with the other – so dishonest
3. Addiction to avoiding male anger or disapproval
4. Avoiding fear and other emotions in relation to men – powerlessness, low worth, grief
5. Huge compromise of self, one's morals and ethics: giving up and/or denying personal desires and passions/ sexual compromises – immoral behaviour/ financial/risking safety/ living a false version of yourself leads to anger and resentment, sadness and further increase unworthiness – more negative emotions, more facade, more addictions to avoid the feelings
6. Lack of integrity and honesty
7. All relationships with men based on bartering of self – co-dependency
8. Meeting men's addictions
9. Lack of love of self and self harm
10. Easily manipulated, bullied, used and abused by men
11. Passive, passive – aggressive, manipulative to control responses/actions and avoid emotions
12. Lack of humility
13. Living in fear
14. Damaging soulmate relationship if that person is your soulmate or not.
15. Lack of love for the men involved
16. Harmed by receiving sexual projections from men
17. Responding to demands and expectations from men
18. Giving up free will
19. Harming free will of the man
20. None of this is loving or truthful
21. Open to spirit influence for same feelings – so more addictions and co-dependency

EFFECTS ON OTHERS:

1. Needy projections at men – sucks energy from them
2. Harmed by sexual projections from woman
3. Demands and expectations to men e.g “ help me avoid fear/keep me safe” or “give me sexual worth”
4. Not getting real version of you – only a facade so presented with a lie
5. Involved in bartering and own addictions and meeting your addictions
6. Having sex with lots of women – sexual immorality
7. Gaining power over women
8. Soulmate relationship harmed
9. Free will harmed and harming free will of the woman
10. Dishonest, false relationship because based on barter and co-dependency
11. Not 'loved' for their real self – not loved at all if in facade
12. Addictions and false beliefs not confronted so continue
13. Avoidance of emotions

*Creation of more addictions, more sin, more harm and degradation of the soul condition of both parties. Will also impact others souls: children involved, others involved in relationships – family, friends, society - maintaining false beliefs, facade and normalising unloving behaviour, immoral behaviour. Not real love and not truthful.
